- The Current Environment
- The Alternate Solution
- The Features and Benefits
- Sales Ideas

The Current Long-Term Care Environment

- Only 37% of Americans have sufficient knowledge about LTC planning
- Many people aged 45+ believe they have LTCI when they do not²
- People in different life stages do not have the same priorities or financial situation³

Important Information

- Please refer to the MetLife LTC LifeStage Advantage Specimen Policy for more complete information.
- Subject to state availability, Metropolitan Life Insurance Company ("MetLife") individual Long-Term Care ("LTC") Insurance coverage is offered by policy number: LTC2007. In some states, these identifiers may be followed by the state's 2-letter abbreviation; "ML" for Multi-Life and/or "P" for Partnership policies.
- MetLife's LTC Insurance policies are guaranteed renewable and, like most LTC Insurance Policies, cannot be cancelled due to an increase in your age or a change in your health. Premium rates can be raised as the result of a rate increase made on a class-basis. Like most LTC Insurance policies, MetLife's policies contain certain exclusions, limitations, elimination periods, reductions of benefits and terms for keeping them in-force.
